

## Top 3 Tips for Landing Your Dream Healthcare Job

### 1. Location

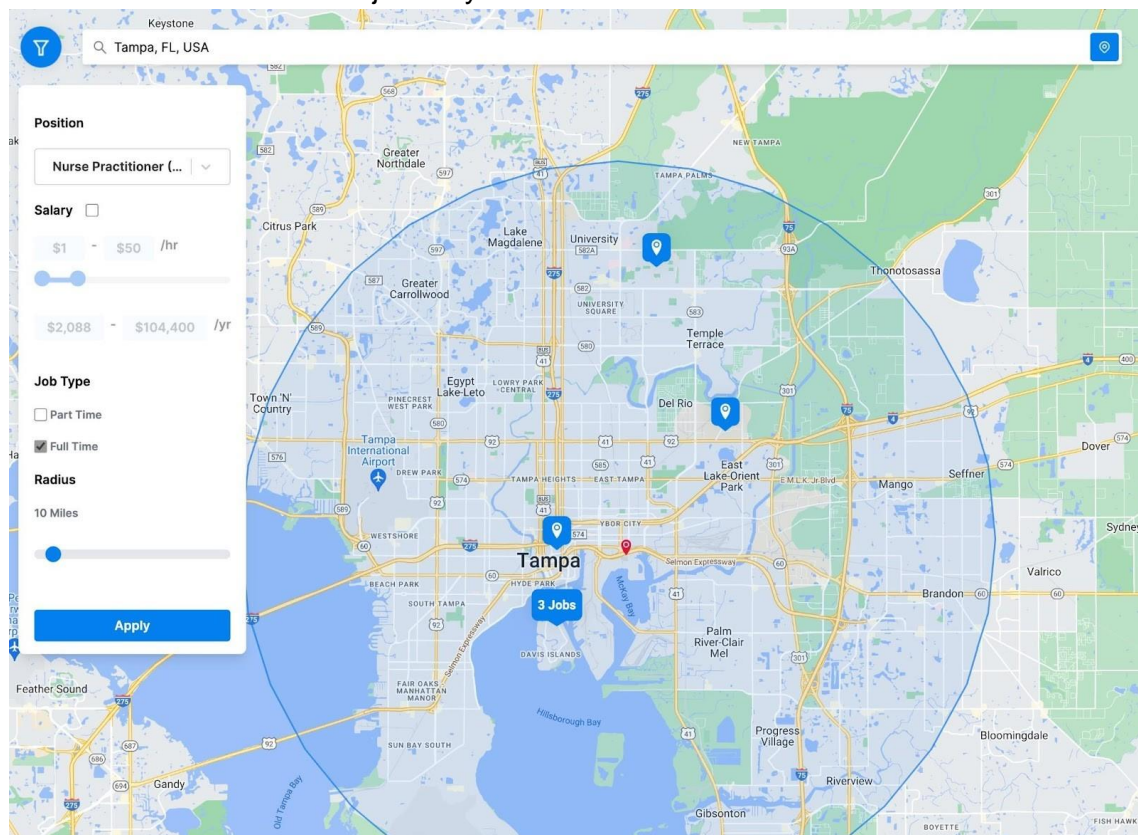

Do you want to commute a long distance? Likely No

Do you want to be able to walk to your place of work? That would be nice, but typically unrealistic

So, we have to find you that sweet spot, say within **5 or 10 miles** depending on traffic in your area.

Once you have decided, this is where the fun begins...

**Ring of Hires** allows a map based search, where we can hone in around your home address to see available jobs in your area.

## 2. Position

Sometimes, we want to compromise for better pay, but when it comes down to your dream job, you want what you want.

That **perfect** position has to be the type you want.

**Ring of Hires** specializes in healthcare, from Nurses to Medical Receptionists, Doctors and Dentists, we have you covered for anything medical.

Here are just 10 examples:

1. Nurse Practitioner NP or Advanced Practice Registered Nurse (APRN)
2. Certified Registered Nurse Anesthetist (CRNA)
3. Registered Nurse (RN)
4. Dermatologist
5. Diagnostic radiologist
6. Emergency medicine
7. Pediatric Dentist
8. Dental Hygienist
9. Dental Laboratory Technician
10. Physician Assistant (PA)

## 3. Pay

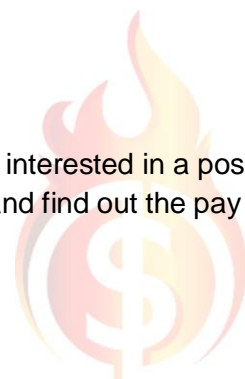

So, for the perfect job, **it has to pay well**.

Ring of Hires encourages all employers to list what their desired pay range is on their posted jobs.

Have you ever gone through an hour-long interview, just to find out that at the end of the interview, the employer is not going to pay enough?!

No more of that, **let us get the pay out of the way!**

All of our jobs may not yet have the pay listed, but if you are interested in a position - LET US KNOW! We can chase after the job on your behalf and find out the pay range.

All jobs created on Ring of Hires must have the pay range listed to get the negotiated price range out of the way before you get interested.
